

PdaExpress

PRESENTATION

Introduction to **PDAExpress**

PDAExpress is the ideal solution for carriers and charterers who need quick quotes for PDAs (Proforma Disbursement Accounts) from the best suppliers and with the best conditions at major ports in Brazil.

Accredited Suppliers

Our platform connects you to a network of reliable, pre-validated suppliers, providing a streamlined solution that attends the specific needs of your operation.

**Receive PDAs with
the best market conditions and prices
for your operation in no time**

How does **It Work?**

The carrier or charterer provides the **details of the operation**: vessel (or its dimensions), port, type and volume of cargo, date, and the type of operation required.

The system automatically **identifies the essential services** needed to successfully carry out the operation.

The client can **add optional services** according to their preferences.

The platform **matches the requested services with offers** from **accredited** **suppliers**.

The client receives the best quotes for each service quickly and transparently in no time.
